## SUIT

Basketweave the inside of his ears with four ply Floss 3689.

Using four ply Floss 318; Cross-Stitch the gray shadow lines.

Using the Fluffy Fleece and covering over the bell, couch the fleece in place using a strand of Floss 3865 as your couching thread. The finished effect is best if you don't couch the thread in straight rows. Try couching the fleece in a curvy pattern.

Couch a strand of the #12 Metallic Braid 002 around his neck and attach the bell. If you choose not to attach a bell then French Knot the bell with the metallic braid.
