# Screw Cap

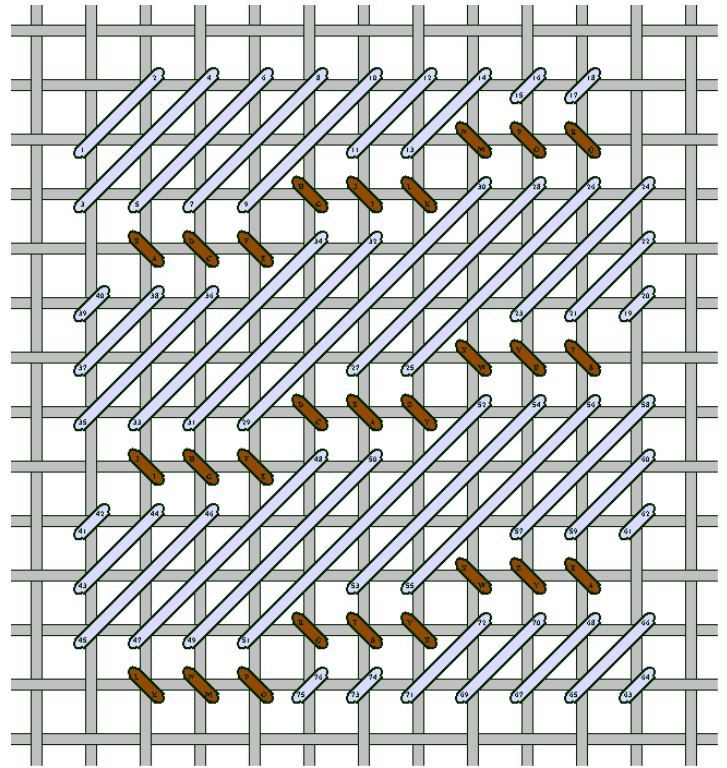

Basketweave  
Slanted Satin Stitch  
Continental

Using Kreinik #8 Braid 005, stitch the black bump at the top of the screw cap in Basketweave.

Using Fyre Works Soft Sheen FT56 Vintage Gold, stitch the four wide bands in Slanted Satin Stitch as diagrammed.

Using Fyre Works Soft Sheen FT59 Tawny Gold, stitch the three thin bands in reverse slant Continental as diagrammed.

Using a white silk or cotton floss, fill in the open stitch at the ends of each of the three thin bands.

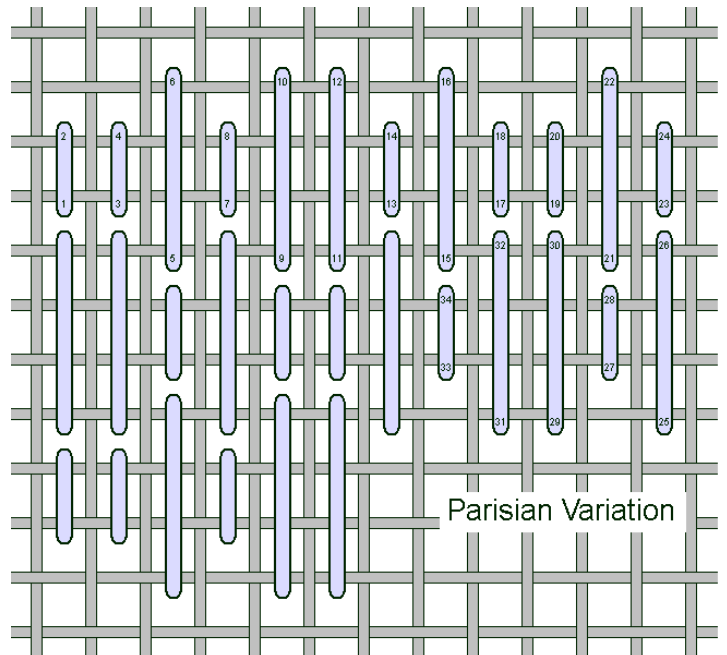

# Top of Bell

**Stitch:**

Parisian Variation

Using Petite Silk Lamé Braid SP42 Mint, stitch the top of the bell in Parisian Variation Stitch. Stitch the entire area. The highlights and shadows will show through.

# Reindeer

## Stitches:

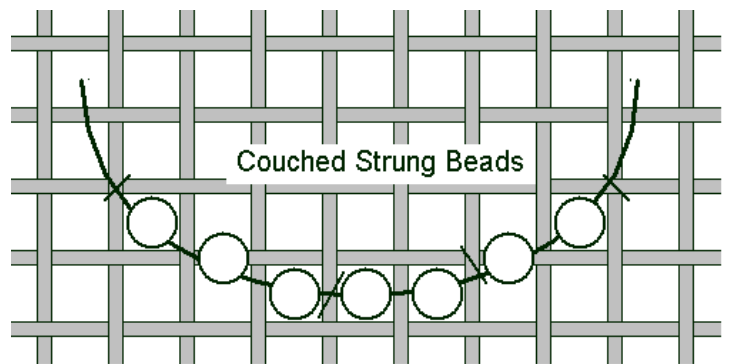

Basketweave  
Couched Strung Beads

Using one strand of Petite Very Velvet V651 Sage Green, stitch the saddle in Basketweave.

Using one strand of Petite Very Velvet V607 Warm Brown, stitch the reindeer in Basketweave.

String Sundance Size 14 #464B Silver beads on beading thread. Couch the strung beads over the silver outline of the saddle using the same beading thread.

Stitch a single bead for the eye.

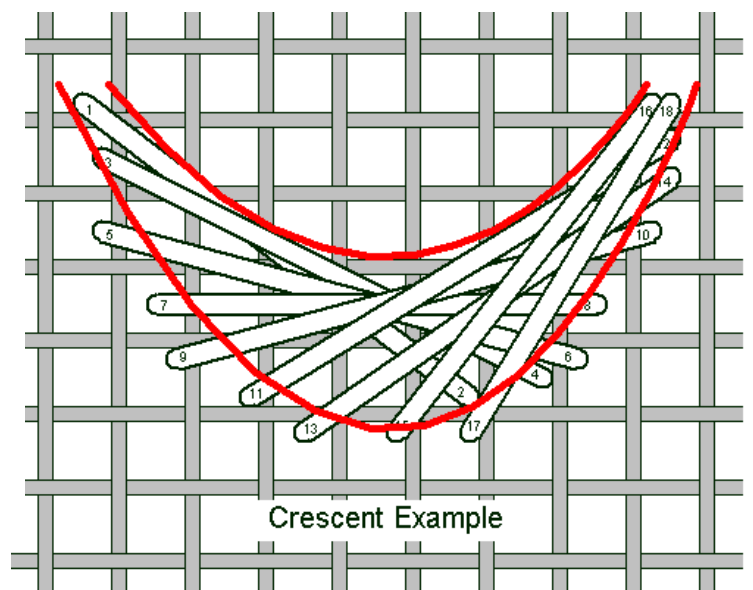

# Green Swags

## Stitch:

**Crescents**

Using one strand of Petite Silk Lamé Braid SP42 Mint, stitch the swags in Crescents.

Begin each crescent at the top left corner and place the first long stitch so that it touches the inside of the top of the curve and ends at the outside of the bottom of the curve. Next place the remaining long stitches following the curve.

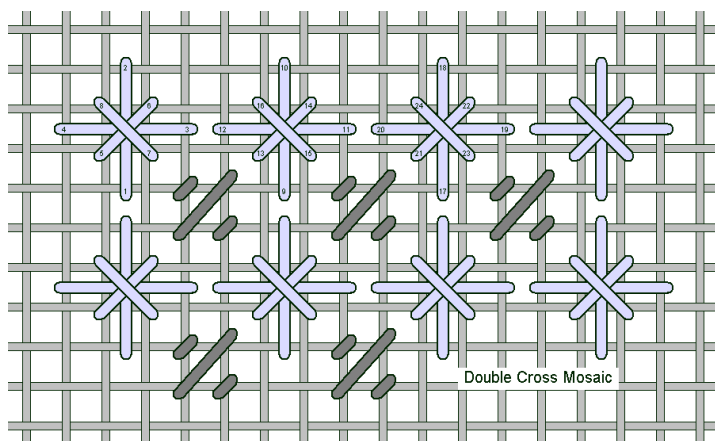

## Body of Bell

**Stitch:**

Double Cross Mosaic

Using one strand of Petite Silk Lamé Braid SP07 Pink, stitch the pink background of the bell in Double Cross Mosaic.

## Silver Crosses and Snowflakes

**Stitch:**

Beading

Using beading thread, attach Sundance Size 14 Color #464B Silver beads to form the silver crosses on top of the swags.

Using beading thread, attach the Sundance Size 14 Color #464B Silver beads and the bugle beads to form the snowflakes as diagrammed.
